FRESHMAN ACADEMY · 2026

Europe Application Support Package

One-on-one mentorship for applications to European universities: strategy, motivational statement, documentation, and extracurricular development.

1.0 The Program

This package covers a European application cycle in one-on-one consultations: strategy and school selection, the motivational statement, documentation and submission, and extracurricular development. All hours are individually scheduled with mentors who are current students or alumni of top universities.

Deliverables and mentor hours

ONE-ON-ONE CONSULTATIONS	MENTOR HOURS
Motivational statement	5.0 hours
Documentation	2.0 hours
Strategy & school list	2.0 hours
Extracurricular development & descriptions	2.0 hours
Total mentor hours	11 hours

2.0 Your Mentor Team

Every hour of the program is delivered by a mentor who is a current student or alumnus of a top global university. Imron leads the application work; Umid and Hasan mentor the extracurricular development hours.

LEAD MENTOR · EUROPEAN ADMISSIONS & LAW

Imron Kadyrov

LUISS Guido Carli · Italy

Imron is a law student at LUISS Guido Carli in Italy. He has experience not only in civil and corporate law, but also in applications to European universities.

EXTRACURRICULAR MENTOR · ENGINEERING & HUMANITIES

Umid Nazarov

University of Hong Kong · Engineering & Philosophy

Umid is a student at HKU, studying in a dual-degree program between Engineering and Philosophy. He has 3+ years of experience across software engineering, including one year full-time at a Chinese AI laboratory, and mentors students on technical extracurricular projects.

EXTRACURRICULAR MENTOR · AI & COMPUTER SCIENCE

Hasan Mavlonov

East China University of Science and Technology

Hasan currently studies AI at East China University of Science and Technology. He has vast experience in AI and ML research, as well as in computer science as a whole, and guides students building research and coding extracurriculars.
